Ms. Miner,

Thanks so much for sharing your concerns regarding the SE application. Yes, the two land use committees are meeting tonight here at the Sully District office, (address is below). The meeting will start at 7 pm, but there are two items on the agenda before the child care presentation. I will forward your letter to both land use groups, so it can be shared with their members.

We always appreciate hearing from residents and will give your email full consideration regarding the special exception application for the home child care.

Best,

Subject: Land Use Committee Confirmation

Good Morning,

I am confirming that the land use committee meeting scheduled for tonight, December 6, at 6:30pm is still scheduled to occur. Additionally, I want to confirm that comments will be heard regarding SE 2014-SU-042/Montessori Mansion (Naima Qadir Dar) application. Finally, attached please find the documents I submitted containing my and the HOA objections to this application to Supervisor Frey in 2014 and the planning commission on November 30th.

I look forward to receiving confirmation that his hearing/meeting will occur.

Sincerely,
Jennifer Miner
